Brunswick, ME

EDUCATION

Wentworth Institute of Technology - Boston, MA

Bachelor of Science, Architecture | Anticipated: April 2022

Concentration in Emerging Technologies

Minor in Business Management

3.6 GPA, Deans List

M. Arch Accepted | Anticipated: April 2023

Rochester Institute of Technology - Rochester, NY

Studies in Engineering

EXPERIENCE

Turner Construction - San Francisco, CA

Assistant Engineer | June 2021 - August 2021

Helped Bohlin Cywinski Jackson Architects manage the construction of a ground floor lobby renovation within a 48 story building in downtown San Francisco

Utilized SketchUp to conceptualize the constructability of the project that included a canopy with new steel connections to the existing structure

Developed a Quality Assurance plan for our project team that covered a complete redesign of the surrounding plaza including a reflecting pool

Processed submittals and RFI's with Procore to assist in the design of the clubhouse, cafe, kiosk, and landscape for the 101 California project

Presented innovative ideas to upper management such as construction in space and on celestial bodies

Harvard University - Cambridge, MA

Assistant Project Manager | January 2020 - April 2020

Collaborated with architects, owners, and contractors to design and construct theaters, science labs, libraries, and other spaces on Harvards Campus

Performed regular site visits to aid in the construction of religious and community spaces for Harvard's students

Utilized AutoCAD to prepare and ensure accuracy of technical documents related to housing projects, sports facilities, science and engineering complexes, and more

Participated in discussions on project-related issues such as material selection, resolving structural challenges, and systems with multiple trades

Nike Mall of America - Bloomington, MN

Salesperson | May 2019 - August 2019

Provided customer service for travelers from around the world, interacting with and working on client relationships

Worked on a diverse team that helped achieve our company vision to bring inspiration and innovation to every athlete in the world

Modified Nike's store layout to attract and guide customers through our space effectively and efficiently

Microsoft Office ●●●●○

Digital Fabrication ●●●●○

STRENGTHS

Innovation

Areas of research span from immersive virtual worlds to architecture in outer space.

Communication

Living in every region in the United States has given me worldly experience that allows me to relate and communicate effectively to a diverse range of team members.

Leadership

Led project management teams towards the goal of positively impacting how we learn, heal, work, and live.

AFFILIATIONS

Wentworth Architecture Club, President

National Organization of Minority Architecture Students(NOMAS), Member

American Institute of Architecture Students(AIAS), Member

Wentworth Center for Applied Research, Lab Assistant

Wentworth SPEC, Student Mentor
