ABOUT ME

Highly experienced, enthusiastic and highly creative Architect with over 15 years of working experience in the architecture & planning industry. Skilled in Architecture, project management, construction administration, Adobe Photoshop, architectural drawing, 3D modelling and CAD drafting software. Extensive experience working on high-end residential projects, hotels, as well as small commercial work. A committed team player who works hard to create an environment that is stimulating, encouraging, adaptive and supportive for all team members while balancing the needs of the client with the strategic aims of the company. An excellent communicator at all levels within the organization.
